Dad actually came out of his office and frowned at me.

I call that a win.

Dood, no headbanging at work--defeats the whole point of the earbuds! *g*

Tiger beat up the neighbors' cat. T and I are too relaxed to beat up anyone. There was French toast with homemade raisin bread this morning. And an awesome hike, of which I forgot to take pictures (sorry!). You gotta come up here again so we can do this right.

Oh man. Maybe next year Mom will give us overlapping leave again, in a direction that doesn't conflict with Marti's time off.

Good thing the Andreolis are feeding you well. Otherwise I would worry you might waste away.

I'm going to be even more jealous once you hit Montreal.
